 Intercessor Leslie Fletcher

Retiring collection for flood relief via Christian Aid

Two months of persistent monsoon rains have caused the worst floods for years in India, Nepal and Bangladesh affecting more than 40 million people. An estimated 1,200 lives have been lost, homes and livelihoods destroyed. Hundreds of thousands of people evacuated from the worst hit areas are living in temporary shelters. With millions at risk and in urgent need of shelter, food and clean water, we need to act now.
